Demonstration Access Brief

Al Ain Properties — Real Estate Platform

Prepared for **Mohammed Mosa Ali**

Issued **2026-06-24 20:41 GST**

PURPOSE

This brief grants you private access to the demonstration build of the Al Ain Properties real estate platform — a bilingual, mobile-responsive website engineered for property listings, WhatsApp-driven inquiries, viewing bookings, and a full administrative dashboard. The demo is pre-populated with twenty-one sample properties across nine Al Ain areas, eight news articles, and complete contact integration. Please use this access to evaluate the platform against your requirements.

ACCESS CREDENTIALS

Website **`https://al-ain-properties-mauve.vercel.app`**

Admin Dashboard **`/admin`**

Email **`admin@alainproperties.com`**

Password **`AlAin@Admin2024!`**

WHAT TO EVALUATE

- Bilingual Arabic/English interface with dark mode and mobile responsiveness
- Advanced property search across nine Al Ain areas and seven property types
- Property details with photo galleries, WhatsApp inquiry, and viewing booking
- Admin dashboard: add/edit properties with photo upload from device, manage inquiries, news
- WhatsApp integration: every inquiry and viewing booking routes directly to your phone

DECISION DEADLINE

Friday, 26 June 2026
1:00 PM UAE Time (GST)

This is a demonstration environment for evaluation only. After the deadline above, all credentials, access links, and sample data will be rotated. Please complete your review and communicate your decision before this time.
